Dynamik Stallions Mid-Week Leaderboard Series 2026

RULES

1. Riders must compete on the same horse/pony in each of the Mid-week SRD Series Events to be eligible.
2. All leaderboard winners must be present at the prize giving at the Dynamik Stallions 3rd Series Event to receive their prizes.
3. The highest percentage score of all tests ridden in each Category at each Mid-Week Series Event (including the Final) will be converted to points and added to the rider's leaderboard score.
4. Prizes will be awarded in each of the Categories which has 3 or more horses/ponies entered in Preparatory, Preliminary, Novice and Elementary and Medium and 1 or more horses/ponies in Advanced and above at each competition date, throughout the Mid-Week Series Events.
5. The leaderboard winner of each Category will be the rider and horse/pony combination with the highest aggregate score within that Category.
6. Where two or more rider and horse/pony combination points are equal within a Category after the Series Event Final, an additional point will be allocated to the rider who achieves the highest percentage for the highest Category (e.g. in Novice this would be 2.3, in Small Tour this would be Intermediate I) at the final event.
7. If after the calculations in paragraph 9 are completed and the points remain equal, an additional point will be allocated to the rider and horse/pony combination with the highest total of collective marks from the test with the highest level of difficulty in the relevant Category at the Series Event Final.
8. The Organising Committee's decision on each winner and on any further divisions within each Category will be final. Where an Organising Committee member has a perceived conflict, that Organising Committee member will not participate in the decision.

Good Luck to everyone!
