Dressage with Decorum Series 2020

Swan River Dressage Inc (SRDI) is delighted to announce that we will be running a Leaderboard for our members in 2020.

If you are interested in sponsoring part of the Leaderboard, or have any questions, please contact us.

We will be holding a series of 3 dressage events in 2020 (due to C19), offering Competitor (official) tests from Preliminary to Grand Prix as well as Participant and Club (Unofficial) tests.

A High Point Leaderboard will run across 3 events for our Members . Leaderboard prizes will be awarded to the winners of each category at the Spring Gala Series Final.

Leaderboard winners will be announced during the Spring Gala Final, and presentations made throughout the event.

*****Winners must attend to receive the award***.**

Rules of the Leaderboard Series are:

1. To be eligible for points, horses or ponies must be ridden by a member of SRDI. Points will only accrue from the date the rider becomes a member of SRDI.
2. Horses or ponies must compete in at least 2 of the 3 events in the Series.
3. Points will be accrued as percentages by a horse or pony.
4. Winning competitors must participate in the appropriate presentations on 10th or 11th October to be awarded prizes.

5. One percentage score - the highest percentage score for each SRDI member horse or pony in each of the categories below at each event - will be included in the Leaderboard scores.
6. Horses and ponies will not be allocated separate points within each category, ie within eg Official Novice, horses and ponies will compete together.
7. The winner of each category will be the horse or pony with the highest aggregate from the Dressage with Decorum Series within that category.
8. Prizes will be awarded in each of the categories below which has 3 or more horses/ponies entered at each competition date , throughout the Series in 2020.

Where points are equal for horses or ponies within a category after Series three, an additional point will be allocated where their highest percentage in Series three was in the test in the category which has the highest level of difficulty (eg in Novice this would be 2.3, in Small Tour this would be Intermediate I).

If there are equal point scorers after this has been calculated, an additional point will be allocated to horses or ponies with the highest total of Collective Marks from the test with the highest level of difficulty in Series Four in the category.

The Organising Committee's decision on each winner and on any further divisions within each category will be final.

Good Luck to everyone !
