

The W Porteous/ John Hunter SRD Club Members Leaderboard Rules

Swan River Dressage Inc. (SRD) is proud to announce W Porteous/ John Hunter as the official sponsor of the 2026 SRD Club Members Leaderboard. We are incredibly grateful for their support in helping recognise and reward our dedicated members throughout the season.

We are excited to be running four SRD unofficial club member events in 2026. The W Porteous/ John Hunter SRD Club Member Leaderboard is for SRD members who participate in the unofficial member competition days at each of the four weekend series competitions.

Rugs and prizes will be awarded to the winners of each Category at our Championship Final on the 29th & 30th August, which will be the final leaderboard event. This year we will also be awarding prizes at the Final to all SRD Members who have qualified for The W Porteous/ John Hunter SRD Club Member Leaderboard in recognition for their efforts throughout the year.

Categories – Club (unofficial) are:

1. Club Preparatory
2. Club Preliminary
3. Club Novice
4. Club Elementary
5. Club Medium
6. Club Advanced
7. Club FEI

*****Winners must compete at the final event in their designated Category to be eligible to win the W Porteous/ John Hunter SRD Club Member Leaderboard *****

W Porteous/ John Hunter SRD Club Member Leaderboard Rules:

1. Riders must compete on the same horse/pony in a minimum of three of the four SRD Members Day Series Events to be eligible. (The Virtual or Midweek Comps are not included).
2. Riders must compete in the appropriate Category at the SRD Members Day Series Event Final to be eligible to win the W Porteous/ John Hunter SRD Club Member Leaderboard.

3. All leaderboard winners must be present at the prize giving at the SRD Members Day Series Event Final to be awarded their rug and prize and to thank the sponsor.
4. The highest percentage score of all tests ridden in each Category at each SRD Members Day Series Event (including the Final) will be converted to points and added to the rider's leaderboard score.
5. To be eligible for points, horses or ponies must be ridden by a member of SRD. Points will only accrue from the date the rider becomes a member of SRD.
6. The leaderboard winner of each Category will be the rider and horse/pony combination with the highest aggregate score within that Category.
7. A rider and horse/pony combination may only win one Category per year. For example, if they win both Preliminary and Novice, they will only be awarded the higher level, which in this example, is Novice.
8. Where two or more rider and horse/pony combination's points are equal within a Category after the SRD Members Day Series Event Final, an additional point will be allocated to the rider who achieves the highest percentage for the highest Category (e.g. in Novice this would be 2.3, in Small Tour this would be Intermediate I).
9. If after the calculations in paragraph 8 are completed and the points remain equal, an additional point will be allocated to the rider and horse/pony combination with the highest total of collective marks from the test with the highest level of difficulty in the relevant Category at the SRD Members Day Series Event Final.
10. The Organising Committee's decision on each winner and on any further divisions within each Category will be final. Where an Organising Committee member has a perceived conflict, that Organising Committee member will not participate in the decision.

Good Luck to everyone!
